General Comment:

Inspection in response to inquirey from La Plata County about rig activity. Workover rig has since moved off, Form 42 filed retroactively for 8/6/2021 by operator.

This inspection does not address corrective actions from recent environmental inspection, DOC# 688800027. Mechanic working on pump jack and in well area at time of inspection, CA date as not yet been reached, Jim Hughes copied on inspection.

See "stormwater" section for corrective action related to erosion control and BMP maintenance on access road, Catherine Roy copied on inspection for additonal folow up.
