Facility Name: County Line Number: Pad  
Qtrqr: SWSE Sec: 31 Twp: 1N Range: 65W Meridian: 6  
Latitude: 40.001456 Longitude: -104.706341

CORRECTIVE ACTIONS:

1  CA# 153877

Corrective Action: Operator shall provide documentation they instructed the contractor about the requirement to install a perimeter stormwater BMP during the commencement of construction activities.

Date: 07/20/2021

Response: CA COMPLETED Date of Completion: 07/20/2021

Operator Comment: Please find attached 2 emails to the construction contractor. One during the bidding process stating in question 3, "All pads will have ditch and berm installed as first cut of pad build" and another sent 7/20 restating and confirming that the perimeter stormwater BMP shall be constructed prior to pad construction.

COGCC Decision: Approved via an AMI

COGCC Representative: Verdad provided documentation that they instructed their contractor on the requirement to install a perimeter stormwater BMP prior to the commencement of construction . The burden still falls onto the Operator not the contractor if this were ever go as an Enforcement matter.

Verdad also provided follow up communication on COGCC stormwater requirements.

2  CA# 153878

Corrective Action: Immediately install required BMPs per Rule 1002.f. in accordance with good engineering practices.

Date: 07/07/2021

The corrective date is being back-dated to the construction start date.

Response: CA COMPLETED

Date of Completion: 07/17/2021

Operator Comment: The construction of perimeter stormwater BMPs occurred immediately after the inspection and were completed the next day. Please find attached photo documentation of the installed stormwater BMPs.

COGCC Decision: Approved pending re-inspection

COGCC Representative: Approved via an AMI of this FIR resolution acknowledges the document and attachments were received. Based on the attached photos, Operator has completed the corrective action.
