## DESCRIPTION OF COMPLAINT

(Please be as specific as possible)

### Location of Concern \*

Please provide as much detail as possible. It is important to narrow down the location.

There is a fracking facility on the N side of Union Pointe Reservoir in Weld County, it's at the end of CR 3 (when you get off HWY 66). It's hard to miss.

### Detailed description of the issue(s) \* (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

This fracking facility is noisy, very noisy. I'm actually very surprised this volume level from an outdoor production plant is allowed for any reason being this close to a residential area. We're about .75 miles from the site and when it's, running or doing whatever it does, the noise is hard to get away from. It's not all the time, but it seems to be at night and into the morning. In the still of the night against the backdrop of crickets, this is the absolute last thing you want to hear. I have an audio clip I can share from 8-21-21 if you'd like to hear it, this website won't let me upload it unfortunately.
