<p><a href="#">COGCC Inspection Report Summary</a>                      On Friday 9/3/2021 at approximately 10:20 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Hungenberg 13-12F location #328818 in Weld County, Colorado.                      While there, I observed weeds around the wellhead. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 9/24/2021.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	09/03/2021
