<p><a href="#">COGCC Inspection Report Summary</a>                      On 9/1/21at approximately 1315 I, Inspector Justin Medina conducted an on-site inspection at:                      Well Name- Ruegge 3R-4H-N165                      Company Name- Crestone Peak Resources                      API- 05-123-46568                      In Weld County Colorado.                      While there, I observed PR well                      During this inspection the following possible compliance issues were observed:                      Annual bradenhead test is not current. Contact COGCC engineering.                      Comply with COGCC annual bradenhead testing rules.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	medinaj	09/01/2021
