**General Comment:**

On 9/16/2021 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

- Corrective action to control weeds is partially addressed. Additional Russian knapweeds observed (approx. 300 individuals). Continue treating and control weeds by 10/21/2021.
- Stormwater controls need to be installed to stabilize erosion within the project area by 10/21/2021.

See below, and attached photos for additional detail.
