Andrew,

The Colorado Oil and Gas Conservation Commission (COGCC) received your recent complaints concerning noise from the Ivey LC pad. Your complaints are recorded in the document numbers summarized below and can be reviewed via the “Complaints” link, on the COGCC website (<http://cogcc.state.co.us/>).

- 402773528 (8/8/2021);
- 402802830 (9/7/2021); and
- 402811594 (9/14/2021).

The actions taken to address your complaints are summarized below.

- On 8/8/2021 a COGCC inspector conducted an inspection of the Ivey LC Pad, operated by Great Western Operating Company LLC (documented in Field Inspection Report [FIR] # 693505440;
- The inspector noted that the location was conducting hydraulic fracturing operations with the use of a Liberty Quiet Fleet;
- No abnormal conditions had occurred at the time of your complaint and the inspector did not observe any violations of COGCC rules;
- On 9/16/2021 a COGCC inspector conducted an inspection of the Ivey LC Pad, documented in FIR # 693505474;
- The inspector noted that the location was conducting completions operations with no abnormal conditions; and
- The inspector did not observe any violations of COGCC rules.

COGCC recognizes that the activities at the Ivey LC Pad have extended past the planned completion dates, but this does not represent a violation of any COGCC rules or the conditions of approval on the location's permit. Similarly, the level of noise from the location is in compliance with the limits established in COGCC Rule 423. COGCC may only regulate within the limits of the established rules. Any citizen may make a request to the Commission for a rulemaking hearing to change rules, as described in Rule 529.

COGCC FIRs are available on the COGCC website by via the “Data” link, then selecting
