**Subject:** State Reportable Release 24 Hour Notification - HAUCK 7, 17, 24-29 O SA FACILITY

Good morning,

We had a state reportable release today due to the unknown volume historically released at the location referenced below. This release was historical and therefore controlled. The historical impacts were discovered during decommissioning activities at the facility. Clean-up activities are currently on-going and a Form 19 Release Report is forthcoming. The location of the release is located within the Bald Eagle Roost Site High Priority Habitat. This release did not threaten Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

The following have been notified via specified method below:

- Weld County via electronic mail,
- The city of Frederick via electronic mail,
- Surface Owner notification is in process,
- Colorado Parks and Wildlife via electronic mail

The Environmental Release/Incident Report Hotline was not contacted as this release did not trigger notification requirements per 912.b.(2)B.

Location Details:

- Facility Name: HAUCK 7, 17, 24-29 O SA FACILITY
- Location: SWNE 29 2N 68W
- Latitude/Longitude: 40.112623 / -105.019760
- Facility ID: 336530

Please let me know if you have any questions.

Thank you,

**Ariana Ochoa**

Sr. HSE Representative
