Dear Mr. Schlichtemeier,

The Air Pollution Control Division has received the oil and gas site ambient air monitoring plan for:

Parent Well Code: 11230512399987

Date of This Letter: 10/14/2021

Thank you for your response to the APCD comments. Based on that, I updated the project ending date on page 5, and added the topographic map as page 17 of the plan. This created version 3, which is now approved.

Sincerely,

Nancy D. Chick
