General Comment:

On 10/18/2021, Reclamation Specialist Trujillo conducted an interim reclamation and stormwater inspection at TEP Rocky Mountain's River Ranch C Pad Location in Garfield County, CO.

Location/Well file show URSA as Operator on record; Form 10 402554498 transferring ownership to TEP currently in process

The following compliance issues were observed in this inspection:
606: Undesirable Plant Species / Debris

Refer to the "Good Housekeeping" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

LocationOverall Good: ☐

1003 f. Weeds Noxious weeds? _____

Comment

Overall status for the interim reclamation on the Location is "in process"; dense weed establishment observed on the perimeter and grazing pressure may be hindering the reclamation. Continue to monitor and manage interim areas of the Location; conduct additional work as necessary to ensure site progresses towards 1003 standards.
