<p>COGCC Inspection Report Summary                      On Wednesday October 20, 2021 at approximately 9:29AM I, Inspector Randy Silver, conducted a follow up on-site inspection Per Doc# 693505412.                      Location: UPRR 43 Pan AM I #23                      Operator: KP Kauffman                      API#: 123-09055                      County: Weld                      While there, I observed well site.                      During this inspection the following possible compliance issues were observed:                      Weeds/Debris: Rule 606 Corrective action date of 9-9-21 See photos.                      Weather conditions: Clear                      This is a follow up inspection at time of inspection corrective actions have not been addressed.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	10/20/2021
