

**Legend**

- Proposed work area
- Proposed soil sample location
- Flowline location
- Proposed soil screening location
- Proposed soil vapor point location

**Notes**

All locations are approximate unless otherwise noted.

Soil and soil vapor screening locations may be adjusted based on field observations.

Additional samples may be collected if impacted soils or groundwater are encountered during closure activities.

0 ft.                      10 ft.                      20 ft.
