Dear Mrs. Lawson,

The **Purdy #1** well located on your property, that was plugged by an Operator in 1977, needs to be re-entered and re-plugged to ensure the integrity of the well bore. Prior to commencement of those operations, which we anticipate will commence within 90 days, the Colorado Oil and Gas Conservation Commission requires we inform you and secure your agreement to the procedures.

Please acknowledge your receipt of this notice and your consent to the proposed operations by signing, dating, and returning this letter to the undersigned.

If you have any questions or concerns regarding this matter, please do not hesitate to contact me directly at 806-789-2306.

Thank you,
KERR-MCGEE OIL & GAS ONSHORE LP

I/we understand that the Purdy #1 well will be re-entered and re-plugged on my/our land and I/we consent to those operations.
