WOLVERINE RESOURCES LLC
109 EAST 17TH STREET #430
CHEYENNE WY 82001

Dear Mr. Reeves,

Wolverine Resources is receiving this letter because, based on COGCC records, the COGCC has reason to believe that in addition to the well on the Warning Letter, more wells present one or more compliance issues as well. The wells listed below are all included on the Warning Letter and must be compliant by the Corrective Action date provided on that document.

Please do not hesitate to contact me with any questions regarding these compliance issues, or if these wells were incorrectly identified.
