COGCC Comments

Comment	User	Date
<p>COGCC Inspection Report Summary</p> <p>On Wednesday October 27, 2021 at approximately 11:00AM, I, Inspector Randy Silver, conducted an on-site inspection.</p> <p>Location: Hladky-O'Gorman #3</p> <p>Operator: KP Kauffman</p> <p>API#: 123-07775</p> <p>County: Weld</p> <p>While there, I observed a well site and what appeared to be an active spill remediation project.</p> <p>During this inspection the following possible compliance issues were observed:</p> <p>Trash: Rule 606 See Photos 3,8,12</p> <p>Signage: Rule 605 See photo 4</p> <p>Secondary containment: Rule 9 12 d (1) See photos 14,15</p> <p>Fencing: Rule 913 b 5 B I See photos 9,10,19</p> <p>Self inspection: Rule 1002 F (2)</p> <p>Tracking pad: Rule 1002 f (2) F See photos 1,2</p> <p>Mechanical issue: Rule 608e See photo 3</p> <p>Weather conditions: Windy</p> <p>After an internal review of recent inspections at KPK facilities, COGCC Staff has determined that KPK has repeatedly and consistently failed to comply with certain COGCC rules (categorized in those inspection reports as violations related to "Signs/Marker," "Emergency Contact Number," and/or "Good Housekeeping"). In light of this apparent pattern of violations, violation(s) identified in this inspection report under those categories are being entered for notification and documentation only and are not intended to provide KPK the potential opportunity to resolve the alleged violation(s) without the imposition of penalty, pursuant to Rule 522.c. Therefore, in this inspection report, COGCC Staff has documented violation(s) and identified relevant corrective action(s) required to return to compliance, and pursuant to Rule 522.c., retains discretion to seek penalties for any violation documented in this inspection report.</p> <p>Pictures and drone flight is attached to inspection.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.</p> <p>This is a summary of inspection report.</p>	silverr	10/28/2021
