### CAUTION

Improper use of this NATCO equipment may require you to disassemble or  
 tear and result in serious personal injuries and/or damages.

Do not use or service this equipment unless you are thoroughly trained in  
 proper and safe use and service and you fully comply with these warnings.

If you have any questions as to proper and safe use and service, contact your  
 nearest NATCO representative before proceeding. You may call (719)846-7898  
 between 9:00 a.m. and 3:00 p.m. Central Standard Time for the name and  
 location of the nearest NATCO representative.

Do not clean, service or repair this equipment before and unless you:

- turn off the equipment;
- disconnect any electrical power sources;
- disconnect and isolate equipment from any combustible sources;
- safely "release" any pressure from the equipment;
- safely "purge" equipment of any combustibles, and of any toxic substances.

Follow all applicable industry practices for use, service and repair.

The warning sticker is a substitute for your thorough training, care and good  
 judgment. Don't proceed without them.
