A photograph of an oil well rig in a desert landscape. The rig is a tall, slender structure with a ladder and platform at the top, situated next to a small, tan-colored building. The ground is dry and sandy, and the sky is a clear, deep blue. In the background, there are some low-lying hills and a few more structures.

38.99677, -103.7013, 5367.5ft, 348°
11/03/2021 02:26:31 PM

A photograph showing two tall, cylindrical industrial smokestacks or chimneys standing in a flat, arid desert landscape. The sky is a clear, deep blue. The ground is sandy and sparsely vegetated. The smokestacks are positioned in the center of the frame, with one slightly taller than the other. They appear to be made of metal or concrete and have some structural details visible near the base.
