<p>COGCC Inspection Report Summary                      On 11/10/21 at approximately 1500 I, Inspector Justin Medina conducted an on-site inspection at:                      Well Name- UPRR-EHN 34-17                      Company Name- Painted Pegasus Petroleum                      API- 05-001-06156                      In Adams County Colorado.                      While there, I observed SI well.                      This is a follow up inspection from document # 690101698 Corrective Actions are Delinquent                      During this inspection the following possible compliance issues were observed:                      Weeds unmanaged on location                      Comply with COGCC housekeeping rules.12/11/21                      Annual bradenhead test is not current. Contact COGCC engineering. Provide monthly monitoring data.                      Comply with COGCC annual bradenhead testing rules.                      The production of this well may need to be investigated due to the third creek gas pipeline shut down. This well may be venting or flaring natural gas.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	medinaj	11/11/2021
