On November 18, 2021 COGCC SW EPS Jim Hughes conducted an environmental field inspection of the Benson-Montin-Greer La Posta Canyon #2. For the most recent field inspection report of this facility, please refer to document #693903439. COGCC Western Integrity Inspector Richard Murray was on site during this inspection. The La Posta Canyon #2 well head has been cut off and a PA marker has been welded onto the casing. An unmarked AST and a tubing trailer were on site during this inspection. The PBV and separator have been moved to the La Posta Canyon #4 location to allow room for the plugging rig.	hughesjo	11/23/2021
