**General Comment:**[COGCC Inspection Report Summary](#)

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

On Tuesday 11/23/2021 at approximately 1100, I, Inspector Scott Ramsey, conducted a routine inspection at 31 Operating Parker #4-35, at Location # 316192 in Rio Blanco county Colorado.

I was unable to access location due to locked gate. The combo that I received from 31 operating was not the right combo.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
