Re: Well Re-Entry and Mitigation / Temporary Road Access Easement
Colorado Oil and Gas Conservation Commission ("COGCC") - DJ Basin Horizontal Offset Policy

TOWNSHIP 9 NORTH, RANGE 60 WEST, of the 6th P.M.

Section 27: The North Half (N2)
Weld County, Colorado
(the "Lands")

Per the COGCC DJ Basin Horizontal Offset Policy: Any existing oil and gas wells within 1500' of a proposed horizontal wellbore, that do not have adequate protection and isolation over the treated formations, must be re-entered and mitigated prior to hydraulic stimulation of the proposed horizontal wellbore. The following well(s) on your Lands does/do not meet the COGCC standards and must be mitigated prior to Mallard Exploration's hydraulic fracturing operations:

- **STRASSER #1-27 NNE Sec 27 9N60W (API: 05-123-07198) Orbit Drillings, Inc**

Mallard Exploration is required to pass through your Lands in order to locate, unearth, re-enter, and mitigate this existing plugged and abandoned well prior to hydraulic fracturing operations. This process will take approximately five days from commencement to completion and is scheduled to be performed between **12/15/2021-06/15/2022**.

Please return a signed copy of this letter granting a temporary road access easement and consenting to Mallard Exploration, LLC and/or its contractors or agents entering your Lands via your access road located in Weld County, Colorado in order to perform the above-described remediation work. This temporary road access easement shall expire upon completion of the well remediation work, but not later than **May 15, 2022**.

If you have any questions or concerns, please do not hesitate to contact me at:

E-mail: jlinton@mallardexploration.com

Cordially,

John Linton

As owner of the Lands, I/We hereby consent to Mallard Exploration, LLC and/or its contractors or agents to enter the Lands in Weld County, Colorado in order to mitigate the **STRASSER #1-27 NNE Sec 27 9N60W (API: 05-123-07198)** well in accordance with the Colorado Oil and Gas Conservation Commission's— DJ Basin Horizontal Offset Policy.
