Clough 31-23H
Location # 323919

location

Load line missing bull plug/cap

TEP
Clough 31-23H
Location # 323919

Glycol vessel lacking labeling

Erosion leading to the tunneling under berm.

TEP
Clough 31-23H
Location # 323919

One spot of the outlet side of tunneling through berm

One spot of the outlet side and inlet of tunneling through berm

TEP
Clough 31-23H
Location # 323919

Erosion leading to the tunneling under berm.

Erosion leading to the tunneling under berm.

TEP
Clough 31-23H
Location # 323919

Erosion leading to the tunneling under berm.

Erosion leading to the tunneling under berm.

TEP
Clough 31-23H
Location # 323919

Sediment migration from the tunneling occurring.

Sediment migration from the tunneling occurring.

TEP
Clough 31-23H
Location # 323919

Sediment migration from the tunneling occurring

Sediment migration/erosion
