General Comment:

This is a follow up reclamation inspection of the FANNIE B #1 well site which was plugged and abandoned on 6/11/2008. The location is not in compliance with the Final Reclamation requirements. Non-compliance of the Rules will be referred to enforcement. See attached photos and additional details within this report.

Operator is directed to perform corrective actions outlined on this inspection report immediately. This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 525.
