General Comment:

COGCC Routine Inspection Report Summary

Location is in a High Priority Habitat Area.

During this inspection the following compliance issues were observed:

- Well signs missing local emergency services (911 where available). 30 day corrective action.
- Well signs missing local emergency services (911 where available) and the public road used to access the well.
- Separators have partial information. NFPA, contents and operator name not on separators.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
