General Comment:

COGCC Inspection Report Summary
On Friday 12/17/21 at approximately 14:00 hours, I, Inspector Corey De Paolo, Conducted, a follow up inspection at CAERUS PICEANCE LLC S PARACHUTE TBI-67S96W /36SENW, Location #334070 in Garfield County Colorado.
Refer to document #699803667 inspection conducted on 9/27/21. Previous corrective actions have not been completed. While there, I observed normal production operations.
During this inspection the following compliance issues were observed:

- 1) No battery sign located at the tank battery with a previous corrective action date of 9/15/21.
- 2) Separator units include an attached storage tank. The storage tank is approximately 4'x5'x10' with an approximate capacity of 35 bbl. The sight glass located on the side of the unit indicates the storage tank is full of an unknown fluid. No form of labeling or markers are present to identify a potential hazard or the contents of the storage tank with a corrective action date of 2/17/22.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
