RE: Request for Consent to Plug Wells

Dear Mr. Kester,

Bison Oil & Gas II, LLC ("Bison") is planning to drill wells from the Tatanka pads, to be located in the E2E2 of Section 15, T9N, R58W. In anticipation for drilling, it is necessary and required by the COGCC that Bison plug old abandoned oil and gas wells within a certain proximity of the new wells to be drilled. The following well(s) required to be adequately plugged and abandoned on your lands include:

<i>Well Name</i>	<i>API</i>	<i>Legal</i>
Ingram 1	05-123-05639	NENE 23 9N-58W
Hensley A-1	05-123-11085	NWNE 23 9N-58W

Bison respectfully requests your consent as surface owner to enter and plug these wells located on the above described surface lands. Please indicate your agreement and consent via signature below.

Thank you for your immediate attention to this matter. Should you have any questions, please do not hesitate to reach me at: 720-644-6997 ext 4-2, or by email at [asolis@bisonog.com](mailto:asolis@bisonog.com).

Respectfully,

**Ariana Solis**
