

# **Compliance Response Plan**

K.P. Kauffman Company, Inc.

Denver, Colorado

**Updated December 20, 2021**

- 1 Introduction**
- 2 Roles & Responsibilities Summary**
- 3 Reporting**
- 4 Open Remediation Projects**
- 5 Field Maintenance**
- 6 Wellhead Emissions**
- 7 Workover Operations**
- 8 Complaints**
- 9 Accidents**

KPK Field staff will immediately report any actual or suspected accident to KPK EHS staff via the EHS notification line. Accidents will be reported to COGCC via phone call within 6 hours of incident per Rule 602.h. EHS staff will file a form 22 within 3 days as required by Rule 602.h. EHS staff will determine if a Spill Report or Grade One Gas Leak Report need to be filed in conjunction with the Form 22.

## **10 Progress Updates**
