COGCC Inspection Report Summary
On Monday 12/27/21 at approximately 11:00 hours, I, Inspector Corey De Paolo, Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC PA-66S95W /33SWNE, Location #335143 in Garfield County Colorado.

While there, I observed normal production operations.
During this inspection the following compliance issues were observed:

- 1) Separator units include an attached storage tank. The storage tank is approximately 2'x3'x14' with an approximate capacity of 15 bbl. The sight glass located on the side of the unit indicates the storage tank is full of an unknown fluid. No form of labeling or markers are present to identify a potential hazard or the contents of the storage tank.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.
This is a summary of inspection report.
