CORRECTIVE ACTIONS:

1 CA# 158910

Corrective Action: Comply with the 1003 interim reclamation rules.

Date: 11/01/2021

Response: CA COMPLETED

Date of Completion: 01/06/2022

Operator Comment: The reclamation specialists that Wapiti consulted with recommended that seeding be done in the spring of 2022 due to the weather this fall. You did not like that BMP recommendation. The area is covered in snow. So this does not result in a NOA we will go out and hand seed the area if that is what needs to be done. I need an answer on this. The road in Photo 3 belongs to Vermejo Park Ranch (VPR). They travel on this during hunting season to hang game on the trees and racks at the end of the road.

COGCC Decision: **Not Approved**

COGCC Representative: The location will remain out of compliance until corrective action is completed. All disturbance areas need to be reclaimed per 1003 Rules.
