Dear Sir:

This is written with reference to the two wells in the McKenzie field that you took over from Northern Natural Gas.

To date we have not received any correspondence from you in regard to your plans for these wells.

It was our understanding that you would furnish a surety bond in the amount of \$2500 for each well to insure proper plugging in the event the wells are plugged.

Enclosed are four bond forms for your convenience.

We would appreciate hearing from you at your earliest convenience.

Very truly yours,
Oil and Gas Conservation Commission
