Dear Art:

With regard to the above described test well, enclosed find
Notice of Intention to Drill - in duplicate.

On August 28th, 1957, we had a telephone conversation during
which you granted us permission to drill the above location -
footage being 600 ft. from N section line and 780 ft. from E
section line.

Please approve this Notice and return our copy to us as
soon as convenient.

Thank you.

Very truly yours,
