<p>COGCC Inspection Report Summary                      On Monday 1/10/2022 at approximately 1345 hrs. I, Inspector Robbie Revas,                      Conducted an on-site inspection:                      Operator: Chevron/Noble                      Location: State 18</p> <p align="center">API # 05-123-07649</p> <p align="center">County: Weld</p> <p>While there, I observed a well site and tank battery, PR at the time of inspection.                      During this inspection the following possible compliance issues were observed:                      430 Calibration: Meter not calibrated annually, CA date 2-10-2022.                      See attached photos.                      Location: snow covered, Weather: clear.                      No follow up on this site inspection needs to be conducted to ensure the                      Compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	revasr	01/10/2022
