Dear Mr. Monahan:

As a result of a phone conversation with your secretary this morning, I understand that you have reperforated the Minnie Smith No. 1 well in Peetz-Northwest field, Logan County, Colorado.

Our rules and regulations require that an OGCC Form-4 be submitted whenever there is a change in the downhole conditions of the well. We are enclosing a few of these forms for your convenience. Please fill them out and return as soon as possible.

Very truly yours,
