Comment:

Operator has performed final reclamation activities. Undesirable vegetation appears to be managed. Snow cover inhibited Staff's ability to perform a thorough reclamation inspection; therefore, Staff will not make a final assessment for reclamation at this time.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
