| DATE | INTERNAL | TYPE & AMOUNT |
|------|----------|---------------|
| | | None |

REMARKS: Plugged and abandoned in accordance with State Requirements as follows:
 15 sacks in bottom of surface casing, 10 sacks at surface, cut off and welded plate
 on surface casing, as per Turnkey agreement. Exeter Drilling Company will assume
 liability for re-plugging if it is ever required to place down hole cement plug
 across D or J sand.
