Re: Bond 17318-13-773-67- \$2500.
Wells: land 2 Elenz 21-12N-52 W
Logan County, Colorado

Gentlemen:

We have received the above bond in the amount of \$2500. to cover both the 1 and 2 Elenz wells. A \$2500 bond covers only one drilling therefore we cannot accept this bond.

United States Fidelity and Guaranty Company have requested we send this bond back to them and that they would get in touch with you in order to correct error.

If you intend to operate more wells in the future it would probably be to your advantage to have a Blanket bond made out in the amount of \$10,000, to cover wells on patented and fee lands.

To acquaint you with the requirements of this Commission enclosed book of Rules and Regulations will help.

Some form OGCC-10's are also enclosed (change of operator) Please fill out and return to us.

Very truly yours,
Oil and Gas Conservation Commission
