Dear Mr. Boyce:

Re: The Derby Oil Co., Bond of Oil
and Gas Operator for Drilling Operations
on Patented Land G-704340-66369

This is in reply to your letter of February 6.

From your description, I am unable to determine to which well this bond applies. There is a bond dated June 6, 1951 attached to the file of W. A. Johnson #1 well, NW 20-12N-52W. If this is the well, the bond can be released.

Sincerely yours,

Director.
