Dear Mr. Walker:

We have received notification from Victor R. Gallagher that you purchased three wells in the McCallum-South Field, ~~Moffat~~ ^{Jackson} County, Colorado, effective September 1, 1967.

As you may not be familiar with our requirements concerning oil and gas operations in Colorado, we are enclosing a booklet containing our rules and regulations.

If you intend to produce these wells, it will be necessary for you to file the enclosed Form 10's, Producer's Certificate of Clearance, on each well. Whether or not you intend to produce the wells, it will be necessary for you to file a form showing change of ownership. This can be done on the enclosed Form 4. These forms should be filed as soon as possible.

If you have any questions concerning our rules and regulations, please feel free to contact us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
