Comment:

Operator has removed the culvert and gravel associated with the tank battery.

The well and associated offsite tank battery are currently fallow cropland and will have to be assessed during the active crop growing season.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
