Dear Sir:

Before plugging our A. V. Sager Well No. 1 in Section 6-9N-91W, Moffat County, Colorado, we checked with Mr. Henry Grandt, surface owner of the lease, who asked that the surface casing be capped so he could use it for a water well. We are attaching Mr. Grandt's letter confirming this request.

Very truly yours,

SKELLY OIL COMPANY

OIL & GAS  
CONSERVATION COMMISSION

Skelly Oil Co.  
Casper, Wyo.

In regard to the well you  
drilled in Sec. 6, T 9, R 91.,  
Sager No. 1.

I own the surface where the  
well is located.

I hereby request that the  
hole be left open, so I  
can use it for a water  
well, for livestock purposes.

Yours truly  
Henry G. Grandt
