Gentlemen:

Replacement bonds were to be filed by the principal in order to cancel our bonds from record. The Travelers Insurance Co. were issuing bonds for the insured, therefore, it would be appreciated if you would please advise whether or not replacement bonds are on file for the above principal.

We would like to limit our liability under these bonds as to any future liability if a replacement bond has not been filed. If a bond has been filed to replace our company bond, please so indicate in a letter to us in order that we may cancel our files.

Thank you for an early response to our inquiry.
