Operator Comment: CA: Well sign name is inaccurate.; Install sign to comply with Rule 605.d.
After reviewing with the Chevron Production team and doing some research we believe the well sign is correct as it. I spoke with COGCC inspector A. Burns, on 12/10/21 he escalated this issue to their Denver office as he believes there is an issue on their end. 1/14/22 spoke with A Burns, he confirmed its on their end and is waiting to

get conformation its corrected. I will close out when I'm notified its been corrected on their end. COGCC is still working the issue, on 2/24/22 I received an email from A Burns confirming its ok to close this out and complete the FIRR form.
