Denver, Colorado 80203

RECEIVED

JUL 29 1991

COLO. OIL & GAS CONS. COMM

Dear Mr. Kerr:

RE: South McCallum Unit No. 50
Additional Information Requested For Approval of the
Application for Permit to Drill a Horizontal Well
Location: Surface - 185' FSL, 205' FWL, (SW/SW) Sec. 8, T9N, R78W
Downhole - 2846' FNL, 1,955' FWL, Sec. 17, T9N, R78W
Jackson County, Colorado

Enclosed, please find a map and list of wells within 1200' of the proposed horizontal leg of the subject well. The legal locations and depths of the wells are provided as an attachment to the map.

Additionally, you should have received, or should in the near future, a letter from Julie Crumpler of our Land group. She researched your question about the inclusion of the Niobrara formation in the South McCallum Unit. Her research indicated that the Niobrara formation is part of the unit, and she included supporting documentation in her letter to you.

If you have any questions or require additional information, please contact me at the letterhead telephone number.

Sincerely,

Bryan Graham
Analyst - Southern Rockies
