<p>COGCC Inspection Report Summary</p> <p>On Friday 3-11-2022 at approximately 1240 hrs. I, Inspector Robbie Revas, Conducted an on-site inspection:</p> <p>Operator: Painted Pegasus Petroleum</p> <p>Location name: Horth 32-15 2</p> <p>API #05-001-08062</p> <p>County: Adams</p> <p>Weather: Clear.</p> <p>Location: Snow covered.</p> <p>While there, I observed a wellsite.</p> <p>Because P3 is not actively managing any of its Colorado Wells or Locations there is a direct threat to public health, safety and welfare, including the environment and wildlife resources. Therefore, the COGCC will undertake steps to, at a minimum, shut-in all of P3's wells and lock-out/tag-out P3's flow lines. COGCC may take additional actions to protect public health, safety and welfare, including the environment and wildlife resources, without providing advanced notice.</p> <p>During this inspection, no compliance issues were observed:</p> <p>See attached photos.</p> <p>No follow up to this site inspection will be conducted to ensure that Corrective actions are corrected to comply with COGCC rules.</p>	revasr	03/11/2022
