**RE: Water Well Sampling Results
Rempel Ranch**

Dear Mr. Rempel,

Cottonwood Consulting LLC is pleased to provide you with the results of water well sampling conducted at your property on November 19, 2021. The sampling was conducted as part of the Colorado Oil and Gas Conservation Commission (COGCC) orphan well pugging program.

Please find a table summarizing the results and the associated laboratory analytical reports enclosed in this packet.

Should you have any questions, please do not hesitate to contact me at 970-946-3761. We appreciate your participation in the water monitoring program.

Sincerely,

A handwritten signature in black ink that reads "Jacob Harter". The signature is written in a cursive, flowing style.
