Financial Assurance	Both Operators have resolved all issues. Form 9 Approved	03/28/2022
Financial Assurance	<p>Problem 1: The subsequent attestation is inadequate. Solution 1: Please resubmit the Subsequent Attestation using the attached Attestation Guidance. Please remember to note the subsequent document number in the attestation.</p> <p>Problem 2: There is an inspection with corrective action that is not accounted for in the transfer. While we recognize that the inspection occurred after the transfer date and both the intent and subsequent were submitted, it needs to be accounted for in the transfer. Solution 2: Please submit an Incidents Transferred list or an Incident – Not Transferred list. If the incident is not transferred and the seller is retaining responsibility, please submit a Seller Retains Responsibility Attestation.</p> <p>Both documents can be emailed to me and I will upload them to the form.</p>	03/21/2022
