<p><b>COGCC Inspection Report Summary</b>  <b>**Weather Conditions: cloudy, dry ground</b>  On Wednesday, March 16, 2022 at approximately 10:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at RH FARMS II33-14D (Bayswater Exploration &amp; Production), at location #: 323323 in WELD COUNTY Colorado.  While there, I observed a shut in facility.  During this inspection the following possible compliance issues were observed:  1. It appears to be stained soil under the master valve at one wellhead. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d. (Corrective Action Date: April 16, 2022) See attached photo #5.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  This is a summary of inspection report.</p>	santistb	03/16/2022
