General Comment:

On 3/23/2022, Reclamation Specialist Trujillo inspected the "Emerald 39" location in Rio Blanco County, Colorado.

Records show Form 9 402890493 currently "in process" to transfer Location ownership from Chevron USA Inc to Scout Energy Management LLC; contact records for inspection submission same for both Operators. Chevron remains responsible for management of the Location until Form 9 transfers have been approved.

The following compliance issues were observed during this inspection:

-Stormwater
-Weeds

Refer to the "Reclamation" and "Stormwater" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
