Photo 6: Photos taken from the interim areas on the north/northwest end of the Location. Equipment/Vehicles/Trash/Debris/etc.. previously being stored on interim areas have been removed. Limited visibility due to snow cover prevented Reclamation Specialist from conducting an accurate assessment of the interim areas; however, unable to find evidence that reclamation per Rule 1003.b has been conducted on areas not needed for production, and no “CA Complete” resolution has been submitted with documentation showing work was completed..
