<p>COGCC Inspection Report Summary                      On Wednesday 4-6-2022 at approximately 1450 hrs. I, Inspector Robbie Revas,                      Conducted an on-site inspection:                      Operator: KP Kauffman                      Location name: Parker 2                      API #05-123-08711                      County: Weld                      Weather: partly cloudy and windy.                      Location: Dry.                      While there, I observed a wellsite, PR at the time of inspection.                      During this inspection, I observed no compliance issues:                      See attached photos.                      No follow up on this site inspection needs to be conducted to ensure that                      Compliance issues are corrected to comply with COGCC rules.</p>	revasr	04/06/2022
